### DESCRIPTION

#### 2010 Nissan Xterra 4WD 4dr Man Off-Road for sale

Rollin Island Autos has the unicorn of unicorns in this 2010 Nissan Xterra Off-road package with a rare 6 speed manual transmission. Why is this Xterra so rare and sought after you ask? Because it is the perfect blend between a daily SUV driver and Off road Beast! The off-road package gives you a real two speed transfer case, operated by an electronic switch. It's equipped with a heavy duty locking rear Dana axle and a front differential nestled in an independent double-wishbone suspension.

You have 9.5 inches of ground clearance and it's fitted with the standard radiator skid plate as well as additional skid plates to protect the oil pan, T-case and fuel tank. Once you get this baby off-road it is truly in it's natural environment, the suspension absorbs the bumps and obstacles in ways those other pavement princess SUV's could only dream of. There isn't much that will stop this amazing ...
